Message from Melissa

As this term draws to a close I find myself reflecting on some amazing achievements! This term we have spent significant time exploring our school value:

**We act with care and love, mindful of our
place in the wider world**

At a whole school level we have explored this value through National Reconciliation Week celebrations, and featured in both The West Australian and The National Reconciliation Newsletter.

Staff have focused on learning through Inquiry and each class has investigated this value using an Inquiry approach.

K/PP have Inquired into space, asking wonderings and then researching to seek their answers. They expanded their investigations by designing and creating a space role play area in their classroom.

Year 1/2 have been working on multiple Inquiries! Recently they have been exploring their place in the world. They have investigated Fremantle and considered places of significance, created an incredible interactive map and have linked in with their History Inquiry to discuss differences over time.

Year 3/4 have been focusing on sustainability. They have developed a class 'Green

Team' which is supporting making improvements across the school. They also visited the Cockburn Waste Facility to extend their learning and have brought back ideas and strategies to implement at school.

Year 5/6 have been Inquiring into leadership. Last year our parent and student opinion surveys identified the need for additional leadership opportunities. The class has been investigating leadership and what it means including an excursion to participate in a WA leadership conference. Students have been developing individual leadership roles based on areas of interest and expertise. They have been filling their position supporting staff and students across the school.

If you are interested in learning more about class Inquiries make sure you visit the

classroom and have a look at the displays. It has been amazing watching this learning develop over the term. Students are engaged and excited by their Inquiries and are taking action, implementing change both at school and beyond.

Another huge achievement this term is the production of student reports. This is always a massive undertaking and staff have worked really hard to review student progress and communicate this to parents and carers. Reports will be distributed today. If you require a digital copy of your child's report, please email Taylah. Teachers will be in contact over the next week to invite you to meet to discuss your child's report.

Finally, I wanted to update you on our re-registration progress. Tania and I have spent many hours reviewing and updating school policy, procedures and documentation in preparation for submission to the Registration Authority. I want to extend a huge thank you to Tania for all her hard work, it has been an enormous effort. Thank you also to all Board members and staff for their input and support. Our application is due to be submitted next week, it will be an incredible achievement and a huge relief to finally hit 'send'!

Board News

It's been a very exciting few weeks for the Board, with the school's re-registration documentation due next week (LOL!). All school policies have now been reviewed, updated if required, and are ready for action!

The following policies have recently been reviewed and approved by the Board:

- Curriculum, Assessment, and Reporting (an amalgamation of 3 old policies)

- Concerns, Complaints, and Disputes
- Excursion, Incursion, Camp, and Activity
- Privacy
- Staff Grievances (new)
- Students at Educational Risk
- Whistleblower (new)

All our policies can be found on our [website](#) if you would like to peruse them.

Of note, is the complete overhaul of the school's complaint handling procedure. The aim of this review is to ensure letting the school know of a concern or a complaint is easy, accessible for all community members including students, and is handled appropriately. The new process has embedded the school's child-friendly complaints procedure into our policy, separated out staff work-place grievances into a new policy and procedure, and developed resources to support complaint handling.

All concerns and complaints are taken seriously by the school and will be addressed. The vast majority of issues causing concern can be handled quickly and in an informal manner and should be raised directly with the relevant staff member. Our new [flowchart](#) shows you who that person may be.

Sometimes a more formal process should be followed and an [information leaflet](#) has been designed for parents and community members to help you understand how to make a complaint. Our [website](#) also has information about submitting concerns and complaints including links to our full Concerns, Complaints, and Disputes Policy and Procedures.

That's it for now, take care and keep warm!

Regards

Tania Ivey

Camp 2022

We are in the process of planning camp for 2022 and would appreciate if you could please complete the following short survey:

<https://forms.office.com/Pages/ResponsePage.aspx?id=m32zYHjQqUGwQEajdBda2x0zzW-tQ1VAkBoGthPIYlpUNFhSQ0wxT0U2VENOU1NWVjFWNk1NTVc0Wi4u>

Please note, the purpose of this survey is to collect information regarding preferences and needs. When seeking camp venues, we are often limited by the need to be able to prepare our own food, in order to keep costs down. Whilst we value your input in this survey, please be mindful that organising a whole school camp is a big task and there is a lot to consider.

Please do not hesitate to contact me if you have any questions. Thank you for your time in completing the survey above.

Many Thanks

Super Sentences

This week I spent some time in the Year 3/4 class for spelling. Some of the students challenged themselves to get their entire spelling list into one sentence. Leo and

Eden succeeded, I was so impressed I thought I should share!

I volunteer to be an engineer with an advantage and average language but now I am a musketeer and a mountaineer with a bandage and a shortage of water. - Leo

A squid fell into a quarry with a quokka who had a question about a conquest that was equal to an inquiry and requires a quote to be signed and when he finished he got a quarter of a dollar. - Eden
