Annual School Fees

At Kerry Street, we keep our fees simple and accessible. Annual School Fees cover almost all general costs, with only school camp and the annual yearbook charged separately. Occasionally, there may be a small cost for a special event or excursion, but we work hard to keep these minimal. We also do not require booklists or uniforms, helping reduce expenses and ensuring every child can participate fully. Payment plans for Tuition and Curriculum Supplement Fees are available in fortnightly, monthly, or termly instalments.

Tuition Fee This fee supports the delivery of the school's educational programs for the year.	**Annual Fee**

Curriculum Supplement Fee This fee contributes to curriculum resourcing throughout the year and is charged **per student**, based on year group. It helps cover the essentials that support rich learning experiences — from excursions and incursions to access to digital devices, online programs, and curriculum subscriptions. It also ensures students have the everyday materials they need, such as workbooks, stationery, and art and craft supplies.	**Annual Fee**

Community Jobs Levy

A strong sense of community is at the heart of Kerry Street. To help keep our school vibrant, well-resourced and affordable, each family is required to contribute **10 hours of community jobs per term**.

Where families are unable to complete their required hours, the school must engage **external contractors to complete those jobs instead**. For this reason, a levy of **$45 per uncompleted hour** applies to help cover the cost of that external labour.

Families are also required to complete a timesheet each term to record their contributions.
